

Dear Potential Sponsor,

The Burris Money Series is looking for Class sponsors and Fast Time Sponsors for 2017. New in 2013 and continuing through 2017 is the associate class sponsorship which will be used when all classes have been filled. We don't intend to turn away any sponsor that wants to be involved with the Burris Money Series. We will be accepting 4 total sponsors for leather Jackets. These 4 sponsors will have their logos put on the 15 leather jackets we will give out to class champions in 2017. These jackets have a cost estimate of around \$10,000

The Burris Money Series was started in 2007. The series is about to enter its 11th season of providing the Karters with a family oriented racing environment. The series averages around 200 karts per event with only 15 classes. At the first event in 2012 we had over 320 entries. We have been the largest karting series paying money and points for all classes on race day in PA for the last 10 years. In 2013 with only six events held we gave out over \$60,000 in cash and prizes. In 2016 we continued to give away over \$100,000 in cash and awards. The Burris Money Series is dedicated to the Karters and their families. All money raised is given back to the Karting community.
